

Hon'ble Secretary for Department of Fertilizers, Ministry of Chemicals & Fertilizers, GOI visit's RFCL Site, Ramagundam

Ramagundam, 12th August, 2021

Hon'ble Secretary, Department of Fertilizers, Ministry of Chemicals & Fertilizers, Shri Rajesh Kumar Chaturvedi visited RFCL Site on 12.08.2021 to review the urea production works at the plant. Shri. Rajesh Kumar Chaturvedi (IAS) was accompanied by Dr.S.Sangeeta Satyanarayana I.A.S, District collector & Magistrate, Peddapalli, Shri Nirlep Singh Rai, Director-RFCL, Shri Atul Jain, CEO-RFCL Shri V.K.Bangar, General Manager – Project Site (I/c) and other senior officers.

As a part of the visit, Hon'ble Secretary visited the Main Control Room, bagging plant and fully automated truck loading facility etc., where the process of neem coated urea manufacturing was explained by the RFCL officials. Followed by the plant visit, a review meeting was chaired by Hon'ble Secretary, which was attended by RFCL and EIL officials, wherein the production status was appraised to the Hon'ble Secretary through presentation.

The meeting was concluded by reiterating that RFCL would help in boosting indigenous urea production in the southern part of the country, thereby reducing urea imports and by also giving an impetus to the local farmers with timely supply of fertilizers as well as extension services.
